

Limassol, 17.03.2021

To whom it may concern,

We herewith confirm we have subcontracted *Communication and Radionavigation SPb* on several occasions for onboard attendances involving among others, Annual GMDSS Radio Survey and (S)VDR Annual Performance Tests Gyro and Radar repairs, Annual Gyro overhauling as well as installation and replacement of various navigation and communication equipment.

Subcontracted services have been performed in accordance with applicable legislation and in line with industry best practices. The attendances have been successful and all relevant documentation has been completed and provided to the concerned parties in a timely manner.

Kind Regards,

Tototheo Maritime Ltd
